# MOTORSPORT VISION (MSV) OVERVIEW

MotorSport Vision (MSV) is a private UK company owned 75% by its Chief Executive Jonathan Palmer and 25% by Sir Peter Ogden. It is Europe's largest motor racing circuit operator, with six venues in the UK: Brands Hatch, Donington Park, Oulton Park, Snetterton, Cadwell Park and Bedford Autodrome, and a seventh circuit, Circuito de Navarra in northern Spain.

MSV also owns a 1270-acre disused French army base at Couvron in north-east France which is

being redeveloped with a 3.5km new circuit complex, alongside a 750-acre solar park.

MSV's largest project at the moment is redeveloping Donington Hall, a magnificent 62,000 sq ft historic building built in 1791, into a 55-bedroom country house hotel.

MSV is also transforming the adjacent Hastings House building into the state-of-the-art Donington Motorhouse - a prestigious motoring stabling facility. Both due to open in Spring 2026.
