

2026 BSB SUPPORT CHAMPIONSHIPS - TEAMS NOTE 1

NUMBER RESERVATIONS AND ENTRIES

The 2026 system will open for number reservations for the support classes (except BMW F900 R Cup) at **1pm on Monday 15th December** through to **5pm on Friday 16th January** at <https://www.bsbteams.com/>

The accompanying number registration fee is £400 per entry (non-refundable), which is also part payment of the first instalment or full entry fee when due.

BMW F900 R Cup registration and number reservations opened on 1 November 25 and remains open.

R&G Moto4 British Cup

A maximum of 36 riders will be accepted for registration into the R&G Moto4 Talent Cup. A number reservation does not guarantee entry. All applications will be considered by the BTC Commission (Dorna & MSVR) at the end of the number reservation period. New riders to this Championship MUST follow up their number reservation by emailing a full racing CV to bsb@msvracing.co.uk by Friday 16th January. Should any applications not be accepted the number reservation fee will be returned in full.

To ensure fairness MSVR operate a first come first served policy on support class race numbers. Number reservations are for riders that are contesting the whole championship, not for wildcard entries. If your chosen number has already been reserved by someone else, this will be indicated and you will need to choose another number. Your chosen number will only become secure and reserved for you when the reservation has been submitted and fee paid.

The top 10 finishers in the 2025 championships have an automatic entitlement to the number that represents their finishing position. Only once they choose to decline it or reserve an alternative number will that number become available **to be allocated the discretion of MSVR**. Any rider wishing to use a top 10 number who did not finish in the equivalent 2025 championship position should first complete their number reservation with their second choice number and request in writing by email their primary choice (1-10). Again the final discretion will rest with MSVR.

Only numbers 1-99 will be available for each class (3 digit numbers are not permitted)

The full entries system will then open on **Monday 19th January**. **If you do not reserve a race number in the number reservation period of 15th December – 16th January, your number and place on the grid cannot be confirmed until you have fully submitted the entry and paid the first instalment of the entry fee.**

When submitting an entry all information including working personnel and vehicle pass details must be included as you cannot regain access to the entry once submitted. Electronic photographs of the rider(s) and working personnel must be uploaded to the 2026 entry before submission. Please ensure that only portrait photographs are uploaded.

The closing date for Season entries is Friday 20th March 2026.

Wildcard entries will close TEN DAYS prior to the first day of the event in question.

2026 Registered Team (per rider) entry fees:

Class	Seasonal Entry Fee	Instalment 1 – On Application (Number Reservation fee will be deducted – exception BMW Cup)	Instalment 2 1 st June	Instalment 3 17 th August

Pirelli International Sportbike Trophy – Donington Park - 10.11.12 July 2026

This will be a stand alone non championship event supporting the UK round of the FIM World Superbike Championship at Donington Park on 10.11.12 July. Open to British and European teams. The provisional event schedule will comprise 1 x FP + 1 x QP + 4 x 10 laps races counting towards an overall result/awards. The entry fee for this event will be £400 per rider and a registration link will be published and opened in the new year.

Withdrawal from an event/Championship

Withdrawal from an event MUST be made in writing by email to bsb@msvracing.co.uk giving reason, and in advance of the start of the event, defined as by 17.00 hrs on the Tuesday prior to a regular event weekend (17.00 Wednesday for an event held over a bank holiday weekend). Only the registered entrant can make the withdrawal. Any refund will be at the discretion of MSVR but if official withdrawal is not made in advance of the event no refund will be considered.

When a rider/team withdraws from a championship during the season all personnel and vehicle passes MUST be returned to the MSVR BSB Sporting Offices within ten days of withdrawal from the championship. All passes remain the property of MSVR at all times. Any refund will be at the sole discretion of MSVR.

ACU Licence Renewal

On the ACU Sport80 platform go to 'Club Membership' then select **MotorSport Vision Racing (MSVR)** as the club which will generate an email to us to approve your membership. As we do not charge for membership, approval will only be given for riders registering for one of our championships.
