

EnduroKA - IndyKA 500

Brands Hatch Indy

15-16/11/2025

**EnduroKA – Driver Stint Time clarification**

For the avoidance of doubt, driver stint time will be calculated from the time the race start signal is given or when the driver leaves the pit lane (pit out timing line) until the time the driver enters the pit lane (pit in timing line) and a driver change occurs as logged with TSL.
