Valuables and Security

Please be vigilant against theft. Personal items and valuables are left at your own risk. MSV accept no responsibility for loss or damage sustained to these items.

Food and Drink

Alongside a number of food and drink outlets operating at the venue during the event, the Clubhouse bar and restaurant will be open into the evening from Friday through to Monday serving hot food until 16:00 and snacks/drinks until half an hour after the last race.

There is no shop on site for purchasing self-catering supplies but the nearest stores are located in Louth, about 6 miles away. Head North on the A153 and follow signs to Louth Town Centre.

Waste & litter

Please make use of the rubbish bags provided and, when full, dispose in the waste bins located around the campsite. More bags are available from the campsite entrance booth.

Evening Entertainment

Be sure not to miss out on this year's live music and entertainment! On Sunday night the Clubhouse disco will be belting out the latest chart toppers and classic floor fillers.

On Saturday night up at the Music Marquee (next to Chris Curve) Conspiracy Rising will be taking to the stage and rocking us into the night with a high-voltage set of rock favourites. On Sunday night, Stolen Fridays will light up the stage, expect non-stop energy, timeless classics and chart topping bangers.

Items not allowed in the campsite

For everyone's safety and enjoyment, the following are prohibited:

- Disposable barbecues
- Fireworks
- Firewood
- Chinese lanterns
- Scooters/mini-motos/any vehicle not registered for the road
- E-Bikes and E-Scooters
- Drones
- Radio controlled cars/bikes
- Lasers
- Offensive weapons
- Restricted and illegal substances

Any such items will be confiscated by the campsite security team.

Safety

- In view of the continuing drought conditions, campfires, firepits, disposable barbecues and all charcoal or wood-burning appliances are currently prohibited at this event - please familiarise yourself with fire points
- Purpose-built gas and electric cooking appliances (only) remain permitted outdoors, provided they are raised off the ground, constantly attended and kept safely away from tents, vehicles and dry vegetation
- Keep roadways and fire lanes CLEAR at all times
- Store fuel and generators away from ignition sources.
- Fire extinguishers are located at various FIRE POINTS around the campsite. Use only in an emergency and RAISE the alarm immediately
- Campsite speed limit is 10mph. Only drive if strictly necessary and watch for CHILDREN
- SECURE tents and gazebos carefully – expect high winds!
- No laser pens

We are monitoring the ground conditions and official guidance closely. These arrangements will remain under review and will be updated before or during the event if appropriate.

Carbon Monoxide (CO) Gas Can Kill!

- It's an odourless gas and does not smell
- NEVER use a portable barbecue or gas burner INSIDE a tent, awning or enclosed space (for cooking, or heating when cold)
- A COOLING barbecue can also give off poisonous gas!
- Never run a generator inside a tent, awning or confined space
- Consider purchasing a Carbon Monoxide alarm and use it inside your caravan or motorhome if running an installed gas appliance – but don't rely on it!

Safe Gas Cylinder Storage and Use

- Always CHECK your cylinder for damage before using
- Maintain good ventilation when using portable gas (remember to use it outside only)
- Always store in an UPRIGHT position
- If a cylinder falls over, check it, stand it up and leave it to settle before connecting it
- NEVER smoke near any gas cylinders and keep all ignition sources away
- Always use manufacturer hoses, connectors and follow their guidance
- If you use a gas appliance, SERVICE IT REGULARLY by an authorised technician from the Gas Safe Register (minimum annually)
