BRANDS HATCH THE THEATRE OF DREAMS

Brands Hatch is one of motorsport's most iconic venues. Its name is familiar to everyone, and it's superbly located too, just off the M25. Legendary names such as James Hunt, Nigel Mansell, Ayrton Senna and Carl Fogarty all carved their reputations around one of the world's most emotive circuits. The chance to literally follow in the tracks of these sporting greats never fails to fire our guests' imagination.

Originally a 1920s grass-track bike racing venue, the Kent circuit grew to become arguably the busiest race track in Europe. A unique combination of dips, cambers, fearsome corners and hills still make it one of the world's most demanding motor racing circuits.

Located just 20 miles south-east of London and boasting a host of stunning off-track facilities, Brands Hatch always proves an irresistible lure and our compelling driving events are sure to grab the attention. Nothing beats the adrenaline rush of being strapped into a real single-seater racing car, hurling a rally car around a purpose-built stage or exploring the limits of the fabulous Alpine A110.

Our driving events can be tailored around your timings and budget and our experienced team will work on every aspect of your day, leaving you free to relax, enjoy the unique atmosphere and chat to your guests.
