Report received from Post 19 of Car 25 passing Car 99 before the Green Flag at the exit of Copse.

After interviewing both drivers and reviewing excellent in car footage from Car 99 and reviewing circuit CCTV, it was possible to see that the driver of Car 99 had only just left the pits, was building up to racing speed, and was waving by Car 25.

Both drivers reminded about no overtaking before the Green Flag, but in this instance there was significant mitigation.
