Report of side to side contact between Car 23 & 57 on Lap 11 at Turn 3 with Car 23 subsequently running wide and losing positions. Onboard footage from both cars was reviewed and both drivers were interviewed with their team representative present. It was determined that Car 57 made a legitimate move to the inside, while Car 23 braked earlier than they had on previous laps and left sufficient room on the inside for a move to made. Car 23 then turned in towards the apex where side to side contact with Car 57 occurred. Car 57 met the apex and did not run wide on exit and was fully in control of his car.
