No Further Action

Car 9 (Tony Bishop) and Car 66 (Jamie Molloy) made contact resulting in damage to the R/H rear of Car 9 and L /H rear of Car 66. Car 9 spun off the circuit and was unable to continue, whilst Car 66 continued from the scene of the incident and retired from the session.

Having seen the on board video from Car 66 and Car 9 and the circuit CCTV Car 66 is seen towards the middle of the track on the approach to Vale and had just been overtaken by a faster car on his driver's Right and then Car 9, again being a faster car was planning to overtake on the Left of Car 66 when the two cars made contact.

On reviewing the information available I find neither driver wholly or predominately responsible for the incident at this location on the circuit and therefore class this as a racing incident.

You are reminded of your right of appeal. Any penalties applied will be recorded by Motorsport UK in accordance with NCR Ch.5a App.5 Art.2.3
