

MCRCB TECHNICAL AND SPORTING BULLETIN TSB25-11**Issued 22.08.25****Updates to Authorised Parts List (BSS and STK)****Updates to Authorised Maps (SPB) with compulsory updates**

MCRCB / MSVR have released updates to the Authorised Parts list (v3.6) relating to the BSS and STK classes – list published on Sportity and MSVR website.

MCRCB / MSVR have released updates to the Authorised Maps list (v1.5) relating to the Sportbike class, specifically the following manufacturer models must apply a compulsory update:

Aprilia

Suzuki

Triumph

This will be checked at Technical Control at Cadwell Park on Saturday 23rd August 2025.

The relevant downloads from the official supplier, Solo Engineering can be found here (updated maps and workspace):

<https://soloengineering.com/download/sportbike-dis-maps-only/?wpdmdl=13662&refresh=68a830cd8ad491755853005>

<https://soloengineering.com/download/sportbike-workspace/?wpdmdl=11813&refresh=68a830cd8c0011755853005>

As a consequence of the above update and any potential difficulties with the application, the Free Practice 1 sessions times at Cadwell Park Rd. 7 will not count for any composition of grid positions.

ENDS.
